Information for Prospective Members

A welcome from the President!

Dear Colleague,

It is my pleasure to introduce you to the New Zealand Chiropractors' Association (NZCA), one of the most respected chiropractic associations in the world. With a rich history dating back to our founding in 1922, we are incredibly proud to be one of the oldest and most experienced chiropractic associations globally. This deep heritage is a testament to our ongoing commitment to excellence in chiropractic care, education, and advocacy. We have spent nearly a century building strong bonds within our profession, with our education providers and our regulatory board, creating an environment in which our members can thrive.

As a member of the NZCA, you would have access to a wide range of valuable resources through our website, from employee templates and CA training modules to essential business support. Our goal is to help you succeed in your practice, with the extensive institutional knowledge we've accumulated over the years. Our passionate Council members and executive staff are always here for you, offering support whenever you need it. We are committed to your success, and given the chance, we look forward to walking alongside you in the years ahead, helping you grow and achieve your professional goals.

We would be excited to have you join us, and we're here to support you every step of the way.

Warm regards,

Dr Cassandra Fairest

What makes the NZCA so special?

Joining the New Zealand Chiropractors' Association (NZCA) means becoming part of a vibrant, supportive community of professionals who are dedicated to advancing the chiropractic profession in New Zealand. As a member, you'll enjoy unparalleled collegiality and the opportunity to connect with like-minded chiropractors who share your passion and vision. With access to continuing professional development opportunities, comprehensive insurance cover, and a wealth of resources tailored to support your practice, NZCA membership empowers you to grow both personally and professionally.

Membership also means being part of something bigger - a united profession working together to promote and represent chiropractic care. Through collective strength, the NZCA engages in effective lobbying and advocacy, ensuring your voice is heard and your interests are protected.

As Rudyard Kipling wisely said, "For the strength of the pack is the wolf, and the strength of the wolf is the pack." Together, we are stronger, advancing our shared mission to enhance the health and well-being of our communities while fostering professional excellence, unity and success.
